GENERAL DESCRIPTION

Perform highly responsible professional legal work and administrative duties for the Commission Advising Section. Primary duties involve the practice of administrative law including, but not limited to, giving legal advice, analyzing proposals for decision, writing orders, and presenting recommendations to the commissioners on contested cases. Responsible for cases and projects with a high degree of complexity. Work under close supervision with minimal latitude for the use of initiative and independent judgment.

ESSENTIAL FUNCTIONS

- Analyze telecommunications, electric, water, and sewer utility issues and policies, formulate alternative solutions, and develop recommendations for commissioners on contested cases.
- Identify legal issues and perform legal research and analysis relating to Commission projects and contested cases; write memoranda summarizing and evaluating applicable law and applying the law to relevant facts.
- May participate in rulemaking activities as assigned.
- Track contested cases and stay informed of the issues being addressed.
- Provide legal advice and recommendations on contested cases.
- Coordinate the preparation of and prepare well-reasoned, legally sound preliminary orders, interim orders and final orders related to contested cases.
- Review uncontested filings for consistency with Commission policies, rules, and orders.
- Monitor current trends and issues for communications, electric, water and sewer utilities and their industries, and determine potential regulatory effects of these trends.
- May prepare, in conjunction with other divisions as necessary, reports as required by the legislature, Commission action, or other reports as assigned.

- Produce telecommunications, electric, and water utility information for the legislature.
- Perform administrative and budget activities and prepare special reports or projects as directed.

MINIMUM QUALIFICATIONS

- Graduation from an accredited law school with LLB or JD degree.
- Licensed and eligible to practice law in Texas.
- Attorney II: Minimum of one (1) year legal work experience as a licensed attorney.
- Directly relevant regulatory work experience may be substituted for the legal work experience requirement.

PREFERRED QUALIFICATIONS:

- Undergraduate degree in math, finance, accounting, or engineering, or in English with a demonstrated proficiency in math.
- Strong performance in law school, and organizational skills.
- Administrative law or litigation experience.

KNOWLEDGE, SKILLS AND ABILITIES

- Proficiency in the use of personal computers, specifically with Microsoft Word.
- Strong oral and written communication skills and proficiency in the use of the English language.
- Must be able to research, analyze, and communicate well in a wide range of complex areas.
- Ability to handle multiple projects with tight deadlines.
- Ability to handle responsibilities with minimal supervision.
- Ability to mentor and review work of less experienced attorneys with minimal supervision.
- Ability to attend work regularly and adhere to approved work schedule.

REMARKS

- An internal applicant who is selected for a position in their current salary group with the same or new state classification title will not receive a salary increase.
- An internal applicant is not eligible to apply for a class title within their current classification series in their division unless it is a supervisory position.
- Candidates invited to interview may be given a writing skills exercise.
- If required for position, licensure as a Professional Engineer or to practice law in Texas will be verified on the selected candidate through either the Professional Board of Engineers or the State Bar of Texas.
- Some positions may require additional work hours including evenings, weekends, or holidays to meet critical deadlines. Employees will earn compensatory time or overtime dependent on FLSA status.
- More than one position may be filled under this posting. Employees are required to comply with agency policies and provisions outlined in the employee handbook.
- The job posting in no way states or implies that the duties listed above are exclusive. Employees are required to perform other duties as may be assigned.
- A satisfactory driving record is required for driving a state or personal vehicle to conduct agency business. Selected candidates will have their driving record evaluated in accordance with the Commission's Traffic Safety policy.
- For males born on or after January 1, 1960, the PUC will verify proof of Selective Service registration through the online Selective Service System. Any males born after January 1, 1960 who are not registered will need to provide proof of exemption from the Selective Service registration requirement.
- The Public Utility Commission participates in E-Verify and will provide the Social Security Administration (SSA) and, if necessary, the Department of Homeland Security (DHS), with information from each new employee's Form I-9 to confirm work authorization.
- The PUC has a *Post-Employment Restriction* – details furnished upon request.
- Female and minority applicants are encouraged to apply.
- The PUC is an Equal Employment Opportunity Employer and does not discriminate on the basis of race, color, religion, sex, national origin, sexual orientation, veteran status, age or disability in employment or the provisions of services.
