

Public Utility Commission of Texas

Authorization for Prior Employer to Release Information

As part of the Public Utility Commission's recruiting process, reference checks with previous employers will be conducted for any candidate being considered for employment.

INSTRUCTIONS: Please complete the following statement, sign below and submit with your application in the State of Texas CAPPs Applicant system.

I, _____, hereby authorize any employer referenced on my CAPPs State of Texas Application to release any and all information concerning my previous employment with them. I further release any and all liability that may potentially result from the release and use of such information. I understand that any information released by my prior employers will be held in the strictest confidence, that it will be viewed only by those involved in the hiring decision, and that neither I nor anyone else not involved will have the right see the information

Please do not contact my current employer.

I authorize you to contact my current employer.
