**PUBLIC UTILITY COMMISSION OF TEXAS
REQUEST FOR PROPOSALS NO. 473-17-00005**

**FINANCIAL AUDIT OF THE TEXAS UNIVERSAL SERVICE FUND AND
INTERNAL CONTROL AUDIT OF THE TEXAS UNIVERSAL SERVICE
FUND ADMINISTRATOR**

SECTION 1 – INTRODUCTION

The Public Utility Commission of Texas (PUCT) is issuing a Request for Proposals (RFP) for a financial audit of the Texas Universal Service Fund (TUSF) and an audit of the internal controls of the fund administrator. The contractor will issue a final report to the PUCT as described in Attachment A.

The current TUSF administrator is Solix, Inc. A copy of the current Texas Universal Service Fund Administrator contract can be found on the PUCT’s website at:

<http://www.puc.texas.gov/agency/resources/reports/Contracts.aspx>

In 1987, the Texas Legislature required the PUCT to adopt and enforce rules requiring local exchange companies to establish a universal service fund. Among other responsibilities, the fund reimburses the telecommunications carrier that provides the statewide relay program for the deaf and hard of hearing; reimburses telecommunications carriers that provide lifeline service; and finances a specialized telecommunications assistance program for deaf and hard of hearing individuals. The statute establishing the TUSF and directing the PUCT to administer the fund is at Texas Utilities Code, Chapter 56.

<http://www.statutes.legis.state.tx.us/Docs/UT/htm/UT.56.htm>. PUCT rules concerning the fund are located in the PUCT’s Substantive Rules, Chapter 26, Subchapter P located at <http://www.puc.texas.gov/agency/rulesnlaws/subrules/telecom/Telecom.aspx>

SECTION 2 – ELIGIBLE PROPOSERS

Proposers **must** have a minimum of seven years’ experience conducting similar financial audits and reviews of internal controls as described in Attachment A. An entity or company in existence for fewer than seven years is eligible to submit a proposal if the audit manager or key personnel on the audit team have the minimum required experience. Proposers who do not meet this requirement are not eligible for award.

The PUCT encourages Historically Underutilized Businesses (HUBs) to compete for this award.

It is the responsibility of interested parties to periodically check the websites for updates to the procurement prior to submitting a bid. 6.1 Number and Appearance

The proposal submission shall include an information sheet that clearly states the name of the proposer; the name, address, and telephone number of the proposer's point of contact; the project number; and the RFP title and number. The information sheet must be the first page before the sealed proposal submission. Upon receipt of proposals, the PUCT will file the information sheets in Project No. 47410. All parts of the proposal following the information sheet shall be submitted in an envelope or other sealed container that is marked with the proposer's name and "Project No. 47410: CONFIDENTIAL."

Proposals shall be written only on 8 ½" x 11" white paper using double or 1.5 spacing, and 12-point or larger Times New Roman font.

Proposals shall include all required attachments and certifications. The PUCT will not accept attachments and certifications submitted after the deadline. Failure to provide all required information shall make the proposal non-responsive and thus disqualified from consideration.

Proposals shall be bound in a three-ring binder.

Proposers shall not use the state seal or the PUCT seal in or on the proposal.

Proposals shall be free of any extrinsic items.

Proposals are limited to 75 pages, including all attachments and certifications, but excluding financial capability submittal, section tabs or dividers. Proposals longer than 75 pages may be subject to immediate rejection without review. Evaluation team members will not read past the 75th page.

SECTION 7 – PROPOSAL CONTENTS

Proposals shall include the contents outlined below with each section marked with an index tab. Within each section, pages shall be consecutively numbered. The PUCT may reject a proposal

that fails to include required contents.

7.1 Statement of the Requirements

Each proposer shall succinctly state its understanding of this RFP's requirements and describe how it would perform the tasks described in the Attachment A, SOW

7.2 Competence and Knowledge

Each proposer shall demonstrate the competence and knowledge to fulfill the requirements identified in Attachment A, SOW. The proposer should also describe any prior experience in providing similar services. The proposer shall describe methods they intend to use to develop and implement these services and an organizational chart identifying the functions and reporting relationships of the personnel who would be assigned to this work.

7.3 Qualifications

For each person a Proposer identifies to perform the work described in this RFP, provide a detailed resume that describes the Services they would perform, their qualifications, and their experience.

7.4 Compensation

Each proposal shall propose pricing to provide the Services identified in Attachment A, SOW. If a Proposer believes that additional work is required to meet the PUCT's goals, the Proposer should identify the additional work and the associated price to accomplish that additional work. The PUCT requires Proposers to demonstrate how elements of the price correspond to elements of the proposed work plan.

Please note:

Compensation for the Services outlined in Attachment A, SOW, will be based on a firm fixed price. Unless otherwise approved in writing by the PUCT, payments will be made based on the invoicing and payment terms of the resulting contract. The PUCT will not reimburse any out-of-pocket expenses or expenses not contemplated at the time of contract execution.

7.5 References

Each proposer shall provide at least three references, including contact information with email. The PUCT prefers references from clients for whom the proposer has performed similar work, including other state commissions or boards. Do not use the PUCT or any individuals employed by the Commission as a reference. Any negative responses received may be grounds for disqualification of the proposal.

7.6 Statement on Potential Conflicts of Interest and Prohibited Relationships

Proposers must be neutral and impartial, must not advocate specific positions to the PUCT, and must not have a direct financial interest in the provision of electric, telephone, water or sewer service in the state of Texas. Proposers (including all employees and sub-contractors of proposers) must identify any personal or business relationships with any electric, telecommunications, water or sewer utility or utility affiliate operating in Texas or any company participating in, or having a pending application at the PUCT to enter, the Texas retail electric market, telecommunications market, or water or sewer utility market. Proposers must identify the extent, nature, and time aspects of those relationships. Entities having a conflict of interest, as determined by the PUCT, will not be eligible for contract award.

If a proposer does not have any known or potential conflict of interest, the proposal must include such a statement. Failure to provide either a statement describing potential conflicts of interest or a statement that no potential conflicts exist shall automatically disqualify the proposer. This statement shall be signed before a notary public by the highest-ranking officer of proposer's entity having responsibility for vetting corporate conflicts of interest, e.g. a corporate executive vice president rather than the head of an

operating or regional unit of the firm. If the circumstances described by a proposer change or additional information is obtained subsequent to submission of proposals, the proposer must supplement its response under this provision as soon as reasonably possible upon learning of any change to their affirmation.

The PUCT will determine whether a conflict of interest or the perception of a conflict of interest exists from the perspective of a reasonable person uninvolved in the matters covered by the resulting contract. The PUCT is the sole arbiter of whether a conflict or the appearance of a conflict of interests exists. The PUCT encourages proposers to provide complete disclosure of matters that might be considered a conflict of interest. The PUCT may consider completeness of disclosure in evaluating whether a conflict of interest or the appearance of a conflict of interest exists.

Each proposer shall address how the proposer intends to ensure that no interest arising or potentially arising as a result of its activities or those of its parent, affiliate, or other related entity will conflict with proposer's duty should it be selected to provide the services described in Attachment A, SOW.

Each proposer shall identify its lobbyists registered with the Texas Ethics Commission and their compensation and shall include a statement describing what involvement, if any, the lobbyists shall have in connection with (1) this engagement and (2) electric utility, telecommunication utility, water utility and/or sewer utility legislation and policy.

The PUCT is restricted in its ability to enter into contracts with former PUCT employees, Commissioners, or Executive Directors and entities that employ those individuals by Section 669.003. Persons who have been employed by the PUCT or by another state agency in Texas fewer than four years ago shall disclose in the proposal the nature of previous employment with the state agency and the date the employment ended.

7.7 Historically Underutilized Business Certification and Required HUB Subcontracting Plan

If the proposer is HUB certified by the Texas Comptroller of Public Accounts or the former Texas Building and Procurement Commission, now known as the Texas Procurement and Support Services Division (TPASS), the proposer shall submit a copy of its HUB certificate.

In accordance with Texas Government Code Section 2161.252, the PUCT has determined that subcontracting opportunities are probable under this contract. Therefore, proposers, including State of Texas certified Historically Underutilized Businesses (HUBs), must complete and submit a State of Texas HUB Subcontracting Plan (HSP) with their solicitation response if the total dollar amount of the proposal response is greater than \$100,000. Proposers must complete and submit their signed HUB Subcontracting Plan (HSP) with their solicitation response.

Note: Responses that do not include a complete HSP shall be rejected pursuant to Texas Government Code Section 2161.252(b). See Attachment C.

If the proposer is a current or former executive head of a state agency or employs or contracts with a current or former head of a state agency, the proposer shall provide (1) the executive's name; (2) the name of the state agency; (3) date of separation from the state agency; (4) current position with proposer; and (5) date employment with proposer began;
- G. The proposer is not ineligible for contract award under Texas Government Code Section 2155.006 and acknowledges that any contract may be terminated and payment withheld if this certification is or becomes inaccurate; and

If a Texas address is shown as the address of the proposer, proposer either (i) qualifies as a Texas Resident Bidder as defined in Texas Administrative Code, Title 34, Part 1, Chapter 20, or (ii) has included in the proposal a statement that proposer does not qualify as a Texas Resident Bidder.

7.9 Other

If incorporated in Texas, proposer shall also provide to PUCT the corporation's charter number issued by the Texas Secretary of State's office.

Pursuant to Texas Family Code Section 231.006, proposer shall include the name and social security number of the individual or sole proprietor and each partner, shareholder, or owner with an ownership interest of at least 25% of the business entity submitting the bid or application.

SECTION 8 – CONDITIONS

- 8.1** All proposals and copies of proposals become the property of the PUCT upon receipt.
- 8.2** The PUCT reserves the right to reject any and all proposals, to amend this RFP, and/or cancel this RFP at any time. After the proposal due date, amendments to the RFP shall be sent only to proposers who submitted a proposal.
- 8.3** Neither the PUCT nor the State of Texas shall reimburse any proposer for any costs related to preparing a response to this RFP.

- 8.4** The PUCT reserves the right to negotiate all or portions of any proposal tentatively selected for award, including the proposed fee. The PUCT may request a best and final offer. The PUCT may request an oral presentation or other additional information from one or more proposers.
- 8.5** Proposers understand and agree that no public disclosures or news releases pertaining to this RFP, any subsequent contract, or any results or findings based on information provided or obtained to fulfill the requirements of this RFP or subsequent contract shall be made without prior written approval of the PUCT.
- 8.6** Proposers understand that any proposal may be withdrawn in writing before the deadline for receipt of proposals. The PUCT will not return withdrawn proposals. Proposers further agree that any proposal that is not withdrawn shall constitute an irrevocable offer to provide the services set forth in Attachment A, SOW, for the shorter of: a period of 90 days from the RFP closing date or until the PUCT has entered into a contract with any proposer that responded to this RFP.
- 8.7** The PUCT reserves the right to seek proposal clarification from any proposer to assist in making decisions. Conference calls and/or a meeting and presentation by selected proposers may be called by the PUCT and held in Austin to obtain further information. Any cost incurred by the proposer for the meeting and presentation shall be borne solely by the proposer and the presentation shall become the property of the PUCT.
- 8.8** Section 2155.077 of the Texas Government Code provides that a vendor may be barred from participating in state contracts that are subject to Subchapter B, General Purchasing Requirements, Procedures, and Programs including contracts for which purchasing authority is delegated to a state agency. If a proposer is barred from participating in state contracts, its proposal shall be disqualified and shall receive no further consideration.
- 8.9** For each purchase of goods or services for which a state agency is required to use the best value standard, the state agency is required to input into the statewide vendor tracking system information about whether the vendor satisfied that standard. At the end of the contract, the PUCT shall input the required information about the contractor's performance. Likewise, when PUCT is evaluating proposals, each proposer's past performance will be measured based upon pass/fail criteria, in compliance with applicable provisions of Texas Government Code Sections 2155.074, 2155.075, 2156.007, and 2157.125.

Proposers may fail this selection criterion for any of the following conditions:

CPA may conduct reference checks with other entities regarding past performance. In addition to evaluating performance through the Vendor Performance Tracking System (as

authorized by 34 Texas Administrative Code § 20.108), CPA may examine other sources of vendor performance including, but not limited to, notices of termination, cure notices, assessments of liquidated damages, litigation, audit reports, and non-renewals of contracts. Any such investigations shall be at the sole discretion of CPA, and any negative findings, as determined by CPA, may result in non-award to the proposer.

SECTION 9 – SELECTION CRITERIA

The PUCT shall make the selection and award on the basis of the proposer's demonstrated knowledge, competence, and qualifications to provide the services described in Attachment A, SOW, as indicated in the table below. The criteria are listed in the order of importance to the PUCT.

All other factors being equal, preference shall be given to a proposer who is incorporated in Texas, whose principal place of business is in the state, or who has an established physical presence in the state.

SECTION 10 – REVIEW OF PROPOSALS

The PUCT will assemble an evaluation team that will begin proposal evaluation as soon as practicable after the submission deadline. Evaluation team members will score each proposal individually using the criteria stated above. After individual scoring, the evaluation team will meet and discuss the proposals and will make a recommendation for selection or a recommendation to take further action. **No information will be provided to proposers about the status of the proposals while they are under evaluation.**

After the evaluation team ranks each proposal based on individual scores, the evaluation team may pose clarifying questions of, or ask for best and final proposals from, the highest-ranked proposers. The evaluation team may also hold discussion sessions with the highest-ranked proposers. The team may rate proposals again following questions, requests for best and final proposals, or oral presentations/discussion sessions.

Final recommendations will be presented to the Executive Director of the Public Utility Commission of Texas. The Executive Director may (1) approve the recommended selection in whole or in part, (2) disapprove the recommendation, or (3) defer action on the selection.

The PUCT will begin contract negotiations shortly after notification. The PUCT's standard contract terms are found in Attachment B. The successful proposer may offer changes to these terms or additional terms in their proposal, but the PUCT may reject them in our sole discretion. The parties will negotiate a final schedule for performance that will be incorporated into the final contract.

The PUCT will notify each proposer of the final action taken upon execution of contract with the selected proposer.

SECTION 11 – CONTRACT TERM

The contract shall begin on January 1, 2018, and shall continue in effect until March 31, 2021, unless terminated earlier as provided under the terms of the contract.

If a proposer believes that parts of its proposal are confidential, then the proposer **MUST** stamp the term “**CONFIDENTIAL**” in bold on the part(s) of the proposal that the proposer believes to be confidential.

If the PUCT receives a request for any information submitted to the PUCT in connection with this RFP, the PUCT will follow the requirements of the Texas Public Information Act (Texas Government Code Chapter 552) by notifying proposers and the Office of the Attorney General if information that the PUCT is aware may be confidential is requested. The PUCT assumes no obligation for asserting legal arguments on behalf of proposers. The PUCT may release parts of proposals that are **not** marked confidential without notifying the proposer.
