

CHAPTER 21. INTERCONNECTION AGREEMENTS FOR TELECOMMUNICATIONS SERVICE PROVIDERS

Subchapter C. PRELIMINARY ISSUES, ORDERS, AND PROCEEDINGS.

§21.65. Interlocutory Appeals.

The commission may consider an appeal of an interlocutory or interim order only when it clearly appears from specific facts shown by affidavit or by a verified complaint that immediate and irreparable injury, loss, or damage will result from enforcement of the order, and when the appellant clearly shows that it is entitled to preservation of the status quo pending issuance of a final arbitration order. As a condition to granting interlocutory relief, the commission may require the appellant to provide security in an amount and form (*e.g.*, bond or escrow) to be determined by the commission.
