

CHAPTER 25. SUBSTANTIVE RULES APPLICABLE TO ELECTRIC SERVICE PROVIDERS.

Subchapter F. METERING.

§25.122. Meter Records.

Each electric utility shall keep the following records:

- (1) **Meter equipment record.** Each electric utility shall keep a record of all of its meters, showing the customer's address and date of the last test. For special meters used for investigation or experimental purposes, the record shall state the purpose of the investigation or experiment.
- (2) **Records of meter tests.** All meter tests shall be properly referenced to the meter record provided in paragraph (1) of this section. The record of each test made on customer's premises or on request of a customer shall show the identifying number and constants of the meter, the standard meter and other measuring devices used, the date and kind of test made, who conducted the test, the error (or percentage of accuracy) at each load tested, and sufficient data to permit verification of all calculations.
