

**CHAPTER 26. SUBSTANTIVE RULES APPLICABLE TO TELECOMMUNICATIONS PROVIDERS.**

**Subchapter L. WHOLESALE MARKET PROVISIONS.**

**§26.276. Unbundling.**

- (a) **Purpose.** The purpose of this section is to implement Public Utility Regulatory Act (PURA) §60.021, which requires an incumbent local exchange company (ILEC), at a minimum, to unbundle its network to the extent ordered by the Federal Communications Commission (FCC).
- (b) **Application.**
  - (1) The provisions of this section apply, as of its effective date, to each ILEC that serves one million or more access lines.
  - (2) The provisions of this section apply upon a bona fide request to each ILEC that serves fewer than one million access lines.
- (c) **Unbundling requirements.**
  - (1) **Unbundling pursuant to current FCC requirements.** Each ILEC that is subject to this section shall unbundle as specified in subparagraphs (A) and (B) of this paragraph. An ILEC with interstate tariffs in effect shall unbundle its network/services under the same terms and conditions, except for price, as it unbundles its interstate services, unless ordered otherwise by the commission. The ILEC shall also not impose a charge or rate element that is not included in its interstate tariffs for these unbundled rate elements. Nothing herein precludes the commission from requiring further unbundling of local exchange company services, including the services unbundled pursuant to this paragraph.
    - (A) The ILEC's network shall be unbundled to the extent ordered by the FCC in compliance with its open network architecture requirements; and
    - (B) Signaling for tandem switching shall be unbundled to the extent ordered by the FCC in compliance with CC Docket Number 91-141, Third Report and Order, In the Matter of Expanded Interconnection with Local Telephone Company Facilities, Transport Phase II.
  - (2) **Unbundling pursuant to future FCC requirements.** An ILEC shall unbundle its network/services as defined in the term "unbundling" in §26.5 of this title (relating to Definitions) for intrastate services to the extent ordered, in the future, by the FCC for interstate services. An ILEC with interstate tariffs in effect shall unbundle these services under the same terms and conditions, except for price, as it unbundles its interstate services, unless ordered otherwise by the commission. The ILEC shall also not impose a charge or rate element that is not included in its interstate tariffs for unbundling. Nothing herein precludes the commission from requiring further unbundling of local exchange company services, including the services unbundled pursuant to this paragraph.
- (d) **Costing and pricing of services in compliance with this section.**
  - (1) **Cost standard.** Services unbundled in compliance with this section shall be subject to the following cost standard.
    - (A) The cost standard for unbundled services shall be the long run incremental costs (LRIC) of providing the service.
    - (B) Any ILEC subject to §23.91 of this title (relating to Long Run Incremental Cost Methodology for Dominant Certificated Telecommunications Utility Services) shall file LRIC studies pursuant to that rule for unbundled components specified in subsection (c)(1) of this section.

**CHAPTER 26. SUBSTANTIVE RULES APPLICABLE TO TELECOMMUNICATIONS PROVIDERS.**

**Subchapter L. WHOLESALE MARKET PROVISIONS.**

**§26.276(d)(1) continued**

- (C) For any ILEC that is subject to §23.91 of this title, the cost standard for unbundled services required under subsection (c)(2) of this section shall be the long run incremental costs pursuant to §23.91 of this title.
- (D) The long run incremental cost standard shall not apply if the ILEC proposes rates that are the same as the rates in effect for the carrier's interstate provision of the same or equivalent unbundled service or if the ILEC adopts rates of another ILEC pursuant to paragraph (2)(B) of this subsection.
- (2) **Pricing standard.** Services unbundled in compliance with this section shall be subject to the following pricing standard.
  - (A) Any ILEC may propose rates, without cost justification, that are at parity with the rates in effect for the carrier's interstate provision of the same or equivalent unbundled service. The ILEC shall amend its intrastate rates, terms and conditions to be consistent with subsequent revisions in its interstate tariffs providing for unbundling pursuant to filing requirements established in subsection (f)(4) of this section.
  - (B) In addition to the provision in subparagraph (A) of this paragraph, ILECs that are not subject to §23.91 of this title may adopt the rates of another ILEC that are developed pursuant to the requirements of this section.
  - (C) If an ILEC proposes rates that are not at parity with the rates in effect for the carrier's interstate provision of the same or equivalent unbundled service or does not adopt the rates of another ILEC pursuant to subparagraph (B) of this paragraph, the following requirements shall apply to any service approved under this section:
    - (i) Unless waived or modified by the presiding officer, the service shall be offered in every exchange served by the ILEC, except exchanges in which the ILEC's facilities do not have the technical capability to provide the service.
    - (ii) If the sum of the rates of the new unbundled components is equal to the price of the original bundled service and if the ratio of the rate of each unbundled component to its LRIC is the same for each unbundled component, there shall be a rebuttable presumption that the rate of an unbundled component is reasonable.
    - (iii) The proposed rates and terms of the service shall not be unreasonably preferential, prejudicial, or discriminatory, subsidized directly or indirectly by regulated monopoly services, or predatory or anticompetitive.
  - (D) Rates based upon the new LRIC cost studies required under paragraph (1)(B) of this subsection shall be subject to the pricing rulemaking referred to in §23.91(p) of this title to the same extent as any other service offered by an ILEC subject to the pricing rule.
- (e) **Basket assignment.** An ILEC electing incentive regulation under PURA Chapter 58 shall, in its compliance tariff filed pursuant to subsection (f) of this section, include a proposal and rationale for designating the unbundled components as basic services or non-basic services.
