

Reliability Reforms – Submitting Public comment

Comments are due by noon, Thursday, December 15, 2022, and should include a clearly marked Executive Summary, up to one page, labeled with the commenter's name as the last page of the filing. Please limit responses to 25 pages, excluding the Executive Summary.

1. Write your comments and save them as a file. You will upload this document to the PUCT website.
2. Go to <https://interchange.puc.texas.gov/filer> Click **Begin**.
3. Enter Project Number 54335. Click **Next**.
(DO NOT check New Control Number or Confidential boxes)
4. Enter your contact information. Click **Next**.
5. For Filing Party Name, enter your name. For filling type, select "comments". For filling description type "Public Comments on Market Design". Click **Enter**.
6. Click on "add files" and select the files on your device containing your comments. Upload your comment file(s). Click **Next**.
7. Review the information you entered and when you're ready click **Submit**.

YOU WILL RECEIVE AN EMAIL CONFIRMING YOUR SUBMISSION.
